# YEARBOOK DEDICATION TO PRINCIPAL HENRI A. YELLE

We the Senior Class of 1973 dedicate our yearbook to Henri A. Yelle, Principal of Norton High School. After thirty-eight years of service to the schools in Norton, Mr. Yelle will retire in June.

In the rise from classroom teacher, to assistant principal, and then to principal, Mr. Yelle has shared his life with many students. His contributions have been many; and his guidance, influence, and generosity to the schools as well as to Norton itself will not be forgotten.

We wish you good health and happiness in the years to come, and we wish that you take with you fond memories of Norton High School.

# IN APPRECIATION

We, the Senior class, would like to extend an appreciation to Mr. Richard B. Kirby, Music Supervisor in the Norton Public Schools.

We respect Mr. Kirby as a faculty member and friend; but, most important, we appreciate him for his many contributions to the schools.

Through his efforts, he has brought recognition to Norton High School. We have had the best half time show in the league, and our dance band is one of the best in the area.

Mr. Kirby has also given his own time to help in composing arrangements for our high school musicals.

He has always shown interest in the students of Norton, and we hope that he will continue to play a major role here at Norton High School.

SENIOR CLASS OFFICERS, L to R: Kathy Scott, Vice-President; Sheila Bassett, President; Katy Mulcahy, Secretary; Karen Scott, Treasurer.

"The saddest thing under the sun above  
Is to say good-bye to the ones you love.  
All the things that I have known  
Became my life, my very own.

Before you know, you will say good-bye  
For good-bye, good-bye . . . it's time to cry.  
But, I will not weep nor make a scene  
Just say thank you life for having been.

The loudest cry under the sun above  
Is the silent good-bye of ones you love."

SENIOR CLASS ADVISORS, L. to R.: Mr. Paul Hassie, Miss Grace Kierhan, Mrs. Dolores Robbins, Mr. Peter Klin.

# 1972 FOOTBALL TEAM

This year, coming into a new league, the Lancers wanted to show everybody that they could play football and that they did. Pre-season practice looked good and the Lancers had a great team spirit

Captains, Steve Crogan and Chuck Perry, led the team into the first game, a non-leaguer against Mansfield. Both teams were winless for a long time, but Mansfield emerged the victor in a tough 13-0 game. Then came the Lancer's first league game. Led by quarterback Lee Burchill and by running backs Chuck Perry and Scott Briggs, the Lancers shutout Diman Voke 28-0. After a 22-0 win over Southeastern Regional, the Lancers again came on strong against Old Rochester and won a decisive 14-6 victory. Norton then went against an undefeated Case High and came out on the short end of a 15-6 score.

After an unfortunate accident to quarterback Lee Burchill, Dave Danko took over the pilot's job and along with the strong running of Chuck Perry led Norton to a 28-15 victory over Dighton-Rehoboth. The Lancers then travelled to Wareham for their first Friday night game against the league leaders. The Lancers played extremely well, but lost a tough one 6-0. After losing a non-leaguer to Dennis-Yarmouth 8-0, Norton played to a scoreless tie with New Bedford Voke to end their season with a very respectable 4-4-1 record.

Norton was led offensively by quarterbacks Burchill and Danko, running backs Stan Walasavage and Chuck Perry and wide receiver Bruce Hicks. Also, the offensive line did a good job, with Steve Crogan and Duke Zumalt the standouts. Zumalt was named to the Sun Chronicle All-Star Team at center. Defensive stars were Steve Kenny, Ray Oberg, Bruce Hicks, and Jim Barney.

L. to R., Row 1: Andis Busmanis, David McKillop, David Low, Mike Best, Brian Larson. Row 2: Coach C. A. Gaides, Captain Mike McCabe, Bruce Larson, Kevin Willis, Glenn Anderson, Bob McKillop.

The Lancer Cross Country team went into the 1972 season with a young and inexperienced team. The Lancers had only two experienced runners, seniors Kevin Willis and Captain Mike McCabe. Norton's first meet was with Diman Regional, which was a loss. Norton's second meet was their one and only victory, an exciting 27-28 win over Westport. The Lancers then lost three straight meets, including a heartbreaking 27-28 loss to Old Rochester. Norton finished out a 1-4-0 season with a fine showing at the Conference Meet. The Lancers divided themselves into two teams. The Javees won in their division, led by 8th grader, Glenn Anderson, who placed first. The varsity however, minus three of their usual runners, finished a dismal last. Norton was led throughout the season by seniors, Capt. Mike McCabe, who was elected to the Southeastern Massachusetts All-Star Team, and Kevin Willis, junior Bob McKillop, Ken Welch and Glenn Anderson. The Lancers will be looking forward to the next few seasons with such a fine young team.

Coach Gaides and Captain Mike McCabe.

# 1972 VARSITY BASKETBALL

L. to R., Row 1: R. Perry, S. Bennett, T. Araujo, S. Briggs, N. Briggs, D. Warchal, J. Ribeiro. Row 2: D. Danko, T. Kinney, D. Richmond, J. Barney, D. Bonenfant, S. Moreau. Row 3: Coach Howard Kelly.

As Norton was coming into the new league, all the players were confident of improving last year's dismal record. They were but to prove that they were not a team to be run over and put down. Norton had a big forward line with returning center Dave Richmond, and forwards Tom Kinney and Dave Bonenfant. With the rest of the team, including Dave Danko and the two wonders called the Briggs Brothers, the Lancers were ready to go.

Traveling to Mansfield for the premiere game, the Lancers played well but lost to the Hornets. Norton then met Dighton-Rehoboth in which Tom Kinney was the leading Lancer scorer, as he was against Mansfield. After losing to them and to Southeastern Regional, Norton started to click as a team should. In a wild battle, Norton came out on the top of a 50-48 overtime victory against Diman Voke. Tom Kinney again led the way with 25 points, the high for the season for the Lancers. After that, they were felled by a streak of bad luck as the Lancers lost seven in a row, including three exciting last second games. Norton lost to St. Anthony's, 42-40 in the last five seconds; to Seekonk with one second left to play, and to Bourne, 45-43, again in the last five seconds. But Norton was coming on strong, and won one of their own as they beat Diamond Voke in the last second of overtime. Then against Wareham, a team which had already beaten Norton earlier, the Lancers took control for their third victory of the season and second in a row. The Lancers then lost three more games before coming up with another victory over St. Anthony's, with Tom Kinney and Dave Richmond leading the way with 18 and 17 points respectively. Norton lost their two remaining games to Seekonk and Bourne, closing out a very exciting season, although not a winning one. The final record was 4-15 but the Lancers managed to finish 4-6 on the league slate and tied for third place with Westport.

Outstanding for the Lancers were forward Tom Kinney, who pumped in 243 points for a 13.6 average. Sophomore Dave

Bonenfant was the second leading scorer, with 191 points and a 10.6 average. Senior Dave Rich had a very good year; he played outstanding on the boards and his contributions were helpful. Also showing spark were senior guard Dave Danko, who did most of the ballhandling and played extremely well, and Norman and Scott Briggs.

The Lancer Junior Varsity season was much like the varsity. The Norton J.V.'s could muster up only four wins against eleven defeats but played heartily throughout the season — never giving up even though everyone felt that they had lost the game. With the experience gained this season, and the addition of some of the upcoming freshmen, Coach Nuttall looks forward to getting back with a winning record next year.

Standouts for the Junior Varsity were Steve Bennett, Craig Nichols, Kevin Cruft, Rick Perry, and Steve Moreau.

The Lancer Baseball team had a very slow start. They had a good number of returning players and were very optimistic. Norton lost their first four starts, three of which were non-league. The Lancers then got on the right track by defeating Nipmuc, 4-3. Then, Norton lost two in a row, one to the league champs, Hopedale, and the other to arch-rival Bellingham. The Lancers proceeded to beat Blackstone Valley 8-3. The Lancers then ran into a streak of bad luck. The Norton ballplayers lost eight games in a row. The Lancers finally came into their own as they busted out of their slump and won three of their last five games including an exciting 3-2 defeat of Dover-Sherborn.

Norton was led by the strong pitching arms of Senior Art Wood, and Juniors Steve Crogan and Lee Burchill. Art Wood was again voted the outstanding player and was named to the Sun Chronicle All-Star Team. Junior Steve Crogan led the team in hitting with sizzling .377. Along with Steve were Senior Vern Ferrini, Juniors Stan Walasavage and Rick Derby and Sophomore Bob Leathers who contributed to the Lancer hitting attack. Coach Howard Kelly looks forward to the return of most of last year's team and hopes to improve on a 6-11 record in the new league.

The 1972 Track season began with the introduction of girls to the team. This was the first year girls could compete on the varsity level with boys in interscholastic sports. The pre-season objective was for another winning season, and at the end of it all, the Lancers came out with a 7-6 record. This was the third straight victorious season for the Lancers under Coach Charles Gaides.

The Norton runners started out with the season on the right track. They defeated Blue Hills, but then they fell victim to two hard luck defeats by four and three points respectively to Southeastern and Middleboro. Norton then played two of the League leading teams, Dover and Ashland; the Lancers came out on the losing end both times. The track men and women finally got their first league win over Nipmuc. The Lancers then proceeded to lose their next two meets before capping off their season with four straight wins over Millis, Bellingham, Medfield and Blackstone Valley. The win over Bellingham was the most exciting meet as the Lancers pulled out a 71-69 victory over our chief rivals for the final time.

During the season, records were set by Jim Barney, who was also the leading point getter, in the low and high hurdles; Chuck Perry in the 100 and the pole vault; Blair Titus in the pole vault; and Mike McCabe in the mile. Jim Barney (Co-Captain for the 1973 season along with Chuck Perry) led the Norton runners in the States as he placed fourth in the Class E Finals.

The girls track team had only three meets against other girls' teams, the girls competed mostly against the boys.

However, the girls went undefeated, beating Bishop Feehan, Holliston, and Ashland. Girl stars were Tracy Best, Suzie Thomae, Leesa Thomae, Vicki Lehr, and Caryn Smith. The girls also won an unofficial relay at Ashland against the Ashland girls during the boys meet. The victorious team consisted of Cathy Lacombe, Lynne Harrington, Suzie Thomae, and Tracy Best. Both track teams look forward to carrying on the established tradition of victorious seasons in the future.

# 1972-73 NORTON HOCKEY CLUB

During the winter of 1972-1973, the Norton Hockey Club was formed. This was the first year of organized hockey in Norton. Going into league play, Norton was playing against larger schools, such as Attleboro and North Attleboro. The Lancers were going to have to work hard during the season. It was hard to get practice ice as they practiced on Sundays at two A.M. Although the club did not win many games this year, they showed determination.

The Lancer Hockey Club showed that it did have talent. The front line of the Walasavage brothers, Stan and Fred, and a rough Steve Crogan, was by far the best line for Norton. Stan and Fred Walasavage were the team's leading scorers and among the top league scorers, with the aggressiveness of Crogan on the boards enabling the puck to come their way. Also doing a good job on offense was the second line of Jeff Bramwell, Gordie Marshall, and Wayne Dwyer. Defensive Standouts for the club were Pete Maclean, and John and Reggie MacPherson, who played some rough defense. Doing a great job guarding the nets for the Lancers was Jim Charette.

The highlight of the Lancer season was when Norton won its first game, beating Mansfield 6-2. The Walasavage brothers each scored the magic hat trick, and goalie Jim Charette played a great game warding off a total of 27 shots. The biggest enemy of Norton was the inexperience of the young players, but the season was always exciting and the Norton crowds often thrilled. The future looks bright with the likes of young players who will be returning next year, such as Fred Walasavage, Reggie MacPherson, and Greg Bramwell.

# 1972 SOFTBALL

The girls' softball team was one of the two girls' interscholastic sports organized in the spring of 1972. Girls finally got the chance to play track and softball after a long and hard fight.

The softball team was small, but the interest and spirit were at a climax throughout the season. The girls faithfully practiced every day after school and sometimes on the weekends. The Lancers ("Lancerettes?"), under Coach Barbara Fell, were rewarded, though, with an overall 4-5 record, outstanding for a rookie team which played mostly against already established teams.

Outstanding players on the team included: Sheila Bassett — catcher, Alma Best — shortstop, Elena Murch — second base, Sue Jacobs — pitcher and first base, and Patty Serode — pitcher and first base.

The girls plan to continue and grow and improve their playing to make spring 1973 an even better season. Their goal: to be number one!

# THE JUNIORS AND THE GREAT GATSBY

This year, one of the junior English classes undertook a class project of filming scenes from *The Great Gatsby*. A class trip to Newport, Rhode Island to visit the mansions along the ten mile drive set the scene for the shooting. All members of the class shared in the production: costumes, filming, scripting, editing, taping, and revising.

The following pictures reveal some of the "crew" on location.
